**READ!** Read as often as you can, including silent reading!

**TRACK!** Track your progress by coloring in the stars on the last page of the calendar.

**MAIL!** When you've read at least 20 hours, fill out and mail in the postage-paid Family Progress Card in the middle of the calendar.

**SUCCESS!** You will receive a Certificate of Achievement from the Governor and First Lady.

## Tips for Parents

- Post the calendar in a visible spot where everyone can see it.
- Plan family activities such as visiting your local library to see if it has a summer reading program.
- Help your child set challenging reading goals, and show interest in their efforts.
- **READ WITH YOUR CHILD.** In addition to books, read everyday things such as traffic signs, billboards, cooking recipes, cereal boxes, magazines, and newspapers.

*Remember, next to loving your children, reading aloud with them is one of the most positive things you can do. Parental involvement improves a child's academic achievement.*

*Help children you love, love books.*
